

## SUBMISSION INSTRUCTIONS COMPLEX NETWORKS: SPECIAL ISSUE OF APPLIED NETWORK SCIENCE

To submit your paper, please follow carefully the guidelines given below:

A) The paper must be submitted online by following the submission instructions at: <http://appliednetsci.springeropen.com/>

B) To ensure that all manuscripts are correctly identified for inclusion in the special issue reviewing process:

1) During the submission process, please select the appropriate Collection title “Special Issue of the 11th International Conference on Complex Networks and their Applications” under the “Details” tab.

2) Specify the name of the thematic series in the cover letter of your submission: “Special Issue of the 11th International Conference on Complex Networks and their Applications”

Important Dates :

Manuscript submission deadline: February 28, 2023

Papers will be published as soon as they are accepted.

Do not hesitate to contact us with any questions you may have.  
We look forward to receiving your article!

Thank you again for contributing to COMPLEX NETWORKS 2022.

Best regards,

The Lead Guest Editor
