

# Instructions for PLOS ONE Complex Networks Curated Collection Submissions

## Submission Guide

- All manuscripts should be prepared according to the [Submission Guidelines](#) and [Editorial and Publishing Policies](#)
- All Research Articles should be submitted under the Article Type: 'Research Article'.
- Lab Protocol Articles should be submitted under the Article Type: 'Lab Protocols'
- Corresponding authors should include the following statement in their cover letter:

**'Submitted as part of the Complex Networks Curated Collection 2022-  
FAO: PLOS ONE PSE team'**

Curated Collection submissions are subject to usual PLOS ONE Editorial Policies.

## How to Submit

1. Submissions should be made via the online submission system:  
<https://www.editorialmanager.com/pone>
2. Located in the 'Additional Information' section of the submission form is a section for Collections:

**Collections and Calls for Papers**

If this submission is in response to a Call for Papers or is intended for inclusion in a PLOS Collection, please enter the title of the Collection or Call here. Please also ensure the name of the Collection or Call for Papers is included in your cover letter.

If your submission is not intended for a PLOS Collection or Call for Papers, please leave this section blank.

Character Count: 0  
 Limit 200 characters

Corresponding authors should enter '**Complex Networks**' in this box. This will ensure the manuscript is correctly tracked through the system.

3. As this is a Curated Collection, not a Special Collection, in the 'Publication Fees' section of the submission form, please do not choose the option "I have been invited to submit to a Special Collection".

## PLOS Contacts

Any queries during the editorial and production process should be directed to:

[plosone@plos.org](mailto:plosone@plos.org)

**Important Dates:**

Manuscript submission deadline: February 28, 2023  
Papers will be published as soon as they are accepted.

Do not hesitate to contact us with any questions you may have.  
We look forward to receiving your article!

Thank you again for contributing to COMPLEX NETWORKS 2022.

Best regards,

The Lead Guest Editor  
Sabrina Gaito
